## Shamanic Energy Attunement

The Amanita Mushroom energy is well represented by its relation to the story Alice in Wonderland. Its energy is “curiouser and curiouser.” It is helpful for those who have forgotten how their inner child looks at the world – in presence, awareness, and curiosity. It is a truly magical energy.

The Amanita Muscaria mushroom shamanic energy is creative, fun, and playful. It has a distinct feeling of connection to the inner child, imagination, and stories and storytelling. It’s expansive, limitless, energetic, happy, and high vibrational.

When you need to see a situation or life in general from a new perspective, this energy may be played with.

After this attunement, you may call in the Amanita energy by picturing it or calling it in by name. You may channel its energy through the mind, the body, or the hands similar to Reiki. It can be worked with on the self or channeled to others.
